Skills

* InDesign

* Photoshop

* Illustrator

* Lightroom

* Microsoft Office

Experience

I've been a Jill of all trades and tried out a few different fields. I've worked in the legal field. No, not as a lawyer. Not that there's anything wrong with lawyers...they're very necessary. I've also worked as a veterinary technician, but after being dragged across the floor by dogs larger than myself one too many times, I decided to hang up my stethoscope and finally pursue a creative career.

Interests

* Writing

* Hiking

* Claymation

* Spending time with my dog

* Travelling

* Reading
